About Me

I graduated from Nusa Mandiri University majoring in Information Systems, and have worked at PT Layar Sentosa Shipping as an IT Support for about 3 years. Besides having experience as an IT support, I also have an interest in working in the field of UI/UX Design. To support my interest in this field, I have attended various training courses to deepen my knowledge of the UI/UX Design field of work, but I do not rule out working in other fields. My vision for the future is to apply the knowledge I get, to help advance the company where I will work in.
